

Dear Parents/Carers,

PRE-SCHOOL VISIT – NEW LEAF ALLOTMENT, THROOP  
TUESDAY, 5<sup>TH</sup> JULY 2016

We are pleased to let you know that arrangements have now been confirmed for our planned trip to the New Leaf Allotment in Throop. This will take place on Tuesday, 5<sup>th</sup> July, from 10.30 until approx. 1.30pm.

All children need to be accompanied by an adult and will be your responsibility during our visit. We would like to let you know that this is a very rural (be warned – it's a compost loo!!) working allotment and you need to be aware of tools, uneven/ muddy ground, ponds etc. We also need to ensure that the growing plants, various flower beds, volunteers who may be working at the allotment etc are respected so it is essential that your child is supervised at all times. However, this is a great opportunity for the children to see vegetables and fruit growing in a really natural environment, especially as our topic last term was growing and we have been nurturing our own plants!

We aim to have a fun trip with an opportunity to appreciate the natural environment. Please bring a picnic with you – we are hoping to have it in the orchard!! (Don't forget the wet wipes!!).

As this is such a rural location please be aware that there is no parking on-site – there are roads nearby and these are highlighted on the map on the reverse of this letter- the allotment can be reached by a 5 minute walk along Musliffe Lane.

Could we ask you to complete the attached slip to let us know if you intend to come along on the day to enable us to plan our activities and resources. **Please be aware that the pre-school will be closed on this day.** If your child normally attends on a Tuesday and is unable to come on the visit please speak to a member of staff to swap a session.

Thank you - the Priory View Team.
