# Play and learn together

**A fun session for children from birth to five. Come and explore new activities together, designed to support your child's interests, creativity and learning.**

Our friendly team can also provide help, advice and support in all aspects of parenting and share activities that you can try at home too.

Sessions are run at all **Family Hubs** across Bournemouth, Christchurch and Poole.

Please see **our website for dates**, times and details on how to book.

**We look forward to seeing you and your child there!**
